A History

by Ed Link

## Waukegan: A History

Waukegan is a city that has evolved from an area inhabited by Native Americans, to a trading post, to an agricultural hub, to a destination of industry, and finally to a service-based economy. It is a city that reflects the unique cultures and heritages of people who have come from all over the world to call Waukegan their home.

Ed Link's lively text explores the rich and diverse history of Waukegan and takes the reader from its earliest beginnings to today.

Over 200 photographs, maps, and other images from the Waukegan Historical Society archives and other sources, including many never previously published, bring the story of Waukegan to life.
